Re: Slutsky et al. v. Guadagno et al.
Civil Action No.: 3-10-cv-05331 (PGS-TJB)

Dear Judge Sheridan:

After discussing the matter with my parents, they both would feel left out without the other. Both feel very strongly about staying in the case to support each other.

Due to the fact that we do not have a lawyer at this time, we would feel more comfortable working together.

Therefore, I would choose both my parents as guardians ad litem if, in the future, it became necessary due to medical reasons.

Thank you.

Sincerely,
